# *Foreclosure Services*

The proper processing of foreclosures requires expertise and professional care. With over 20 years of experience in performing non-judicial foreclosure actions, PLM understands the special needs of today's real estate lenders.

The hallmark of PLM's Service is rapid and comprehensive delinquent loan processing for the institutional and private lender. PLM's highly trained staff provides professional representation and competent attention to detail throughout the foreclosure process. Along with personalized service from PLM, you enjoy the added safety of dealing with a corporation whose financial strength and reputation are unparalleled in the delinquent loan recovery industry.
